Education

University of Washington

PhD in political science

Seattle, WA

expected 06/2024

Columbia University

MA in political science

Chinese Government Scholarship

New York, NY

09/2016 - 05/2017

Fudan University

BA in political science

Shanghai, China

09/2012 - 06/2016

Additional training

Psychometrics & Applied Analytics Graduate Certificate

Summer Institute in Computational Social Science (SICSS) Certificate

Center for Statistics and the Social Sciences (CSSS) Certificate

Empirical Implications of Theoretical Models (EITM) Certificate

Honors and scholarships

Green Space Data Challenge First-Place Award (\$5,000) 2023

Survey Data Recycling (SDR) Project Travel Award (\$1,100) 2023

Collaborative Midterm Survey Travel Award (\$1,000) 2022

Young Scholar Award (\$6,000) 2022

Nominee for Presidential Dissertation Fellowship 2022

CSSS Travel Award (\$1,000) 2022

Causal Inference Data Challenge Award (\$2,000) 2022

China Studies Dissertation Fellowship (\$13,200) 2022

Data Science for Social Good Summer Fellowship (\$9,000) 2022

Kizhanatham Jagannathan Graduate Research Grant (\$3,000) 2022

Google Cloud Computing Academic Research Grant (\$1,000) 2021

SICSS Research Grant (\$1,000) 2021

Graduate Student Paper Award for Best Paper (\$500) 2021

David J. Olson Graduate Research Grant (\$3,000) 2021

Richard B. Wesley Fellow in Comparative Politics (\$3,000) 2020

Chinese Government Scholarship (tuition waiver and \$20,400) 2017

Working Papers

Complements or Substitutes? How Digital and Physical Surveillance Facilitate Political Control

Under Review

Livestreaming Pollution: Information Provision and Civic Engagement in Authoritarian Regimes

Under Review

Does Guessing Matter? Evaluating the Measurement of Legal Knowledge

Drafted

The Nature of State Power and Legal Mobilization in Land Grievances: A Survey Experiment in China

Drafted

Farewell Victoria: Quantifying the Value of Foreign Names

Drafted

Explaining Public Support for Government Surveillance: Evidence from the World Values Survey

Drafted

Work experience

Center for Social Science Computation and Research Seattle, WA

Data and Research Consultant 09/2021 - present

Developed and delivered a curriculum for workshops focused on data visualization, data wrangling, and introductory statistics using R to enhance statistical training for faculty and students in social sciences

eScience Institute Seattle, WA

Data Scientist Intern 06/2022 - 08/2022

Designed and implemented an algorithm utilizing R and SQL to analyze over 10 million longitudinal administrative data records, resulting in accurate prediction of household groupings and a 9% decrease in error rate

Center for Statistics and the Social Sciences Seattle, WA

Research Assistant 09/2020 - 12/2020

Scraped legislator data from 2000 to 2021 and enhanced bill data with additional metadata to contribute to an interactive visualization tool called Legislative Explorer

Teaching experience

Workshop Instructor Spring 2022, Fall 2022, Winter 2023

Visualizing Data with R

Workshop Instructor Fall 2021, Winter 2022

Introduction to R Programming
